LIFEGROUP DISCUSSION GUIDE *Summer 2017*

We are so glad your LifeGroup is continuing to process God's Word together outside of an official LifeGroup series! At Fellowship we believe discipleship happens in circles, and we are thrilled that your circle is continuing to meet. We pray that these questions will prompt and guide fruitful discussion as you gather in community throughout the summer.

1 ICE BREAKERS

- Take some time at the beginning of your LifeGroup to have everyone **share a high and low** from this past week.
- Recall the **Question of the Day** from last Sunday and share your answers.

2 SERMON REVIEW & DISCUSSION

- Have someone in the group **recap last Sunday's sermon**. If possible, re-read the Scripture that was used. You can check out www.madeforfellowship.com/sermons to review the sermon.
- Spend some time talking about **what stood out from the sermon**. Which of the points resonated? Which illustrations are most prominent in your memory?
- Were there any points during the sermon or service in which you felt **encouraged or convicted**?
- How might God be **calling you to action** through this sermon?
- After reflecting on this sermon, what is your **next faithful step**? What does it look like to apply this message in your daily life?

3 PRAYER

- Spend some time **collecting prayer requests** from your LifeGroup. How can you be praying for one another this week? Take note of the prayer requests shared.
- Pray for one another, for your families, communities, our church, and the world.

The LifeGroups Team would love to hear from your LifeGroup! Please send highlights, comments, and questions to lifegroups@madeforfellowship.com.
