2. ENGAGE: SERMON REVIEW + DISCUSSION

Read the Scripture Passage . Recap of the Message.

Read Matthew 9:35-38 together as a LifeGroup to catch the vision of this series. MOVED is how Fellowship will unleash compassion and hope in the world. This series will involve vision, action, and financial components. God calls us to be a prophetic witness in our world. As a church, we don't live alike, vote alike, and look alike. We are a people who can help others see what God has said to become! However, this is not enough. We need to multiply this prophetic witness.

Discussion Questions

1. Moved *By* God: If you haven't been moved *by* God, it is hard to be moved *for* God. Pastor Albert said that how you see compassion is a direct result of how you see God. How do you see compassion today, and what do you think that means about how you see God?
2. Moved *For* God: If you want to be moved *for* God, you have to see the people. Jesus "*saw into*" the crowds and was moved with compassion. Who are the people in your life, in your community, that God might be calling you to slow down, and really see into?
3. Moved *To* God: God gives us a present help and an eternal hope. Who are the individuals and communities God may be calling you to move *to* Him, to provide present help, and an eternal hope?

3. APPLY: NEXT FAITHFUL STEP

How might God be calling you to go be a prophetic witness? Is attending Fellowship Pasadena for 6 months something you can commit to prayer?
 Where's one place this week where God might be calling you to have the bowels to move? Where's one place God is calling you to action?
 How can you *move* to God this week?

4. PRAYER

Take some time to hear prayer requests from each member of your LifeGroup. Pray together for the MOVED series, for your upcoming weeks together as a LifeGroup, and for God's ongoing work in and through you.
