LIFEGROUP DISCUSSION GUIDE

1. ICE BREAKERS

- Take some time at the beginning of your LifeGroup to have everyone **share a high and low** from this past week.
- Recall the **Question of the Day** from last Sunday and share your answers.

2. SERMON REVIEW & DISCUSSION

- Have someone in the group **recap last Sunday's sermon**. If possible, re-read the Scripture that was used. You can check out www.madeforfellowship.com/sermons to review the sermon.
- Spend some time talking about **what stood out from the sermon**. Which of the points resonated? Which illustrations are most prominent in your memory?
- Were there any points during the sermon or service in which you felt **encouraged or convicted**?
- How might God be **calling you to action** through this sermon?
- After reflecting on this sermon, what is your **next faithful step**? What does it look like to apply this message in your daily life?

3. PRAYER

- Spend some time **collecting prayer requests** from your LifeGroup. How can you be praying for one another this week? Take note of the prayer requests shared and consider sending those requests in a group text or group email.
- Pray for one another, for your families, communities, our church, and the world.
