YOUTH CONFERENCE|CAMP|MISSION SPECIFIC QUESTIONS //

Who can go to the Leadership Conference?

All youth in middle school & high school are invited! We believe every young person has the capacity to be a leader & we want to invest in that.

What happens at the Leadership Conference?

Youth will have the opportunity to learn from great leaders and get practical skills on how they can lead right where they are, in their schools, families, friend groups and community. Everything about the weekend will be about engaging them at their level, helping them to build new friendships and encouraging & equipping them to lead!

Can youth lead this summer?

YES! In fact, we believe in putting those new learned skills into practice right away! Youth can serve at one or more camps. They'll be well cared for, coached through the week & will make a huge impact on the kids they serve!

Where do we go in Yosemite?

We stay at a beautiful camp called Camp Oakhurst. We're hosted there, they provide cabins, great food & a beautiful camp site!

What will be doing in San Francisco?

We will be partnering with the Center for Student Missions in San Francisco. They will be hosting us & inviting us to engage in mercy & justice work happening in the poorest parts of San Francisco. From serving with the Food Bank, to feeding those experiencing homelessness, to praying for people living out doors, we will get to be a part of what God is doing in the city.

SPORTS CAMP SPECIFIC QUESTIONS //***Who is Sports Camp for?***

All kids entering 4th-9th grade! No matter the skill level, or sports interest, this camp is for all kids!

Will kids/youth need special equipment?

Kids will need clothes they can move in easily, athletic shoes & a refillable water bottle. If for some reason your child doesn't have those items, let us know and we can help. No other equipment needed, we provide the rest!

Who will be coaching?

We're super fortunate to have professional & collegiate athletes on our staff & in our Fellowship family! Kids/youth will be getting some of the best coaching out there!

Why multi-sport?

Most athletes will tell you that the skills learned in different sports are transferable. In fact, many great athletes & coaches agree that learning different sports makes you better at your primary sport. So we're going to pull some of the best of a number of sports & help everyone learn, everyone get better while having a great time!

Will they do other things besides sports?

YES! While there's a sports emphasis, we believe camp = fun! We will have ridiculous amounts of fun in the midst of all the sports & activities. And, we believe that character & integrity are built through faith, so we will talk about where faith & sports collide.
