

1. Connect

Question of the Day. Highs and Lows. Share how last week's message influenced your week.

Share around your group which campus you got a chance to attend this past week, and how your experience was there. In thinking about last week's message, what are some gifts, talents, abilities and experiences that you were able to lean into more deeply and explore? What were the action steps you took in the direction of using your gifts?

2. Engage: Sermon Review + Discussion

Read John 10:10 together as a LifeGroup.

10 The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.

As you read this passage of Scripture, what stands out to you? Spend a couple of minutes making your own observations about the Scripture and share them together as a group.

Discussion

This week as we continued our series "Called for More," we looked at what it means for us as followers of Jesus to be called to a Spirit filled life. We looked at what it meant to live life with The Spirit of God, and to respond to The Spirit of God's activity in our life.

3. Apply: Next Faithful Step

In reflecting on John 10:10, what do you think your next faithful step is this coming week? What is one adjustment to your daily life that you can make that would create room for The Holy Spirit to speak into your life? Do you need to unplug from electronics, fast from a meal, or maybe even abstain from social media momentarily? Are there relationships and community in your life that can help encourage you to create room for God's Spirit this coming week? Let someone in your LifeGroup know how they can show up for you over the next few days. Also be thinking of ways you can show up for someone else.
