

Fellowship Family,

In unprecedented times, we experience unpredicted needs. As a church we are well equipped to care for your spiritual & relational needs, however, we recognize there are other types of needs that arise. We have put together a list of credible resources to help you with a variety of needs. Please let us know if we can help you with any of this.

We are always with you and for you!

You can always reach us at:

help@madeforfellowship.com

Employment Issues

BENEFITS FOR THOSE IMPACTED BY COVID-19

Overall information on those impacted by Covid-19

For information about benefits for those impacted by covid-19
edd.ca.gov

EDD's Frequently Asked Questions:
edd.ca.gov

Paid family leave

Paid family leave is available for those who stay home because they need to take care of someone who has contracted the virus (Covid-19) or who has been quarantined (must be certified by a medical professional)
Learn how to file a paid family leave claim:
edd.ca.gov

Disability Benefits / Paid Sick Leave

Disability benefits /paid sick leave are available for those who have actually contracted the virus themselves or who have been exposed to it and are quarantined (must be certified by a medical professional in the case of Disability Benefits).
Learn how to file a Disability Insurance Claim:
edd.ca.gov

Unemployment Benefits

Unemployment benefits are available to those whose hours have been reduced or who have lost their job due to coronavirus measures (and it also applies to those who choose to stay home due to underlying health issues making them more vulnerable). The Governor has waived the 1 week wait time and the person may not be required to be actively looking for work (as is usually required). Learn to file

an Unemployment Insurance Claim here:
edd.ca.gov
Unfortunately though, this benefit is not available to undocumented persons whose hours are reduced or lose their job for reasons related to COVID-19, etc.

SCHOOL CLOSURES: If your child's school is closed and you have to miss work to care for them. You might qualify for Unemployment Insurance benefits. Learn how to file an Unemployment Claim here:
edd.ca.gov

Workers Affected by Coronavirus Can Apply for Assistance Regardless of Immigration Status
nbclosangeles.com

Workers compensation is available for those who are unable to do their usual job because they were exposed to and contracted Covid-19 while in the regular course of their job (i.e. healthcare workers)

TAX ASSISTANCE

Directly from the Employment
Development Department:

“Employers experiencing a hardship as a result of COVID-19 may request up to a 60-day extension of time from the EDD to file their state payroll reports and/or deposit state payroll taxes without penalty or interest. A written request for extension must be received within 60 days from the original delinquent date of the payment or return.”

edd.ca.gov

For questions, employers may call the EDD
Taxpayer Assistance Center.

Toll-free from the U.S. or Canada: 1-888-745-3886

Hearing impaired (TTY): 1-800-547-9565

Outside the U.S. or Canada: 1-916-464-3502

edd.ca.gov

college students:

At USC they have jobs for people helping 1st generation students going to college. They will be hiring about 20 people. Any recent college grads or soon to be grads are welcome to apply. The job is for recent collegegrads, at most 2 years post grad.

How to get access to lending partners?

SBA has developed Lender Match, a free online referral tool that connects small businesses with participating SBA-approved lenders within 48 hours.

sba.gov

7(a) program

7(a) program offers loan amounts up to \$5,000,000 and is an all-inclusive loan program deployed by lending partners for eligible small businesses within the U.S. States and its territories. The uses of proceeds include: working capital; expansion/renovation; new construction; purchase of land or buildings; purchase of equipment, fixtures; lease-hold

improvements; refinancing debt for compelling reasons; seasonal line of credit; inventory; or starting a business.

Express

Express loan program provides loans up to \$350,000 for no more than 7 years with an option to revolve. There is a turnaround time of 36 hours for approval or denial of a completed application. The uses of proceeds are the same as the standard 7(a) loan.

Community Advantage

Community Advantage loan pilot program allows mission-based lenders to assist small businesses in underserved markets with a maximum loan size of \$250,000. The uses of proceeds are the same as the standard 7(a) loan.

504

504 loan program is designed to foster economic development and job creation and/or retention. The eligible use of proceeds is limited to the acquisition or eligible refinance of fixed assets.

Microloan

The Microloan program involves making loans through nonprofit lending organizations to underserved markets. Authorized use of loan proceeds includes working capital, supplies, machinery & equipment, and fixtures (does not include real estate). The maximum loan amount is \$50,000 with the average loan size of \$14,000.

Exporting Assistance

SBA provides export loans to help small businesses achieve sales through exports and can help these businesses respond to opportunities and challenges associated with trade, such as COVID-19. The loans are available to U.S. small businesses that export directly overseas, or those that export indirectly by selling to a customer that then exports their products.

Export Express

Export Express loan program allows access to capital quickly for businesses that need financing up to \$500,000. Businesses can apply for a line of credit or term note prior to finalizing an export sale or while pursuing opportunities overseas, such as identifying a new overseas customer should an export sale be lost due to COVID-19.

Export Working Capital

Export Working Capital program enables small businesses to fulfill export orders and finance international sales by providing revolving lines of credit or transaction-based financing of up to \$5 million. Businesses could use a loan to obtain or retain overseas customers by offering attractive payment terms.

International Trade

Internal Trade loan program helps small businesses engaged in international trade to retool or expand to better compete and react to changing business conditions. It can also help exporting firms to expand their sales to new markets or to re-shore operations back to the U.S.

INSURANCE

Many businesses have business interruption insurance; now is the time to contact your insurance agent to review your policy to understand precisely what you are and are not covered for in the event of an extended incident.

GOVERNMENT CONTRACTING

SBA is focused on assisting with the continuity of operations for small business

contracting programs and small businesses with federal contracts. For more information on federal contracting

[sba.gov](https://www.sba.gov)

8(a) Business Development

This program serves to help provide a level playing field for small businesses owned by socially and economically disadvantaged people or entities, and the government limits competition for certain contracts to businesses that participate. The 8(a) program offer and acceptance process is available nationwide, and the SBA continues to work with federal agencies to ensure maximum practicable opportunity to small businesses. 8(a) program participants should stay in touch with their Business Opportunity Specialist (BOS).

[sba.gov](https://www.sba.gov)

HUBZone

This program offers eligibility assistance every Thursday from 2:00-3:00 p.m. ET
1-202-765-1264
access code 63068189#

Members of the HUBZone team answer questions to help firms navigate the certification process. For specific questions regarding an application, please contact the HUBZone Help Desk

Rapid Response/Lay-off Aversion

Is your business facing the possibility

of laying off employees or even closing?
The Los Angeles County America's Jobs Centers of California (AJCCs) can help you get your business back on track. Specialized Business Service Representatives can work with you and your employees to minimize losses and improve morale. We can also assist your business with strategic planning to ensure that your business does not face a similar situation in the future. Contact your local Business Service Representative at an America's Job Center of California (AJCC) for more information by emailing:

bizdev@wdacs.lacounty.gov
or calling (213) 810-1641

Best Practices

- Do your part to slow the spread
- Avoid social gatherings of 10 people or more
- Work or engage from home
- If necessary, working on location or place of business make sure to conduct regular environmental cleaning i.e. wipe down with cleaning solution, sanitize workspace and make sure employees are washing hands on a regular basis.
- Staff should wear and use appropriate Personal Protective Equipment according to your existing policies and procedures.
- Have soap and paper towels in bathrooms at all times.
- Avoid unnecessary travel
- California EDD has issued updated guidance on issues beyond unemployment insurance (e.g. caregiving for ill family members).
[updated guidance](#)
- California's Department of Industrial Relations has issued updated guidance on what employers are expected to do to help promote hygiene/safety in the workplace.
[updated guidance](#)

- Marketing – It's critical to communicate openly with your customers about the status of your operations, what protective measures you've implemented, and how they (as customers) will be protected when they visit your business. Promotions may also help incentivize customers who may be reluctant to patronize your business.
- Consider providing in-home services i.e. provide free delivery, etc.
- Inventory and Supply Chain Shortfalls – While the possibility could be remote, it is a prudent preparedness measure to ensure you have either adequate supplies of inventory for a sustained period and/or diversify your distributor sources in the event one supplier cannot meet an order request.
- Share best practices with other businesses in your communities (especially those in your supply chain), chambers of commerce, and associations to improve community response efforts.

Service and Issues

CHILD SUPPORT SERVICES

DCFS- Department of Child & Family Services is still open at normal hours.

CHILD CARE

Pathways LA

A nonprofit childcare agency offering subsidized childcare for low-income families. They are one of ten partnered agencies under the Child Care Alliance of Los Angeles County. Parents eligible to receive services can choose a childcare provider of their choice, which Pathways LA would then be responsible to process payment for. Affected parents are encouraged to seek childcare assistance rather than allowing children to remain home alone and unsupervised.

- **At this time, offices are closed to the public; however, parents can apply online through their website at www.pathwaysla.org or by phone at 213-427-2710. Any questions may also be addressed by our Resource and Referral Department to that same phone number.**
- **Options for Learning is the provider for Monrovia/Pasadena areas: 626.856.5900 - families must call and apply directly to receive list of referral options**

Mighty Little Giants, Inc.

They provide free baby supplies for families who have babies in the NICU (newborn intensive care unit):

LOW COST AUTO INSURANCE

CA Low Cost Auto is a state-sponsored program, passed by the CA legislature and managed by the CA Department of Insurance. The program provides affordable, low cost liability insurance to eligible California drivers whose income is 250% or below the Federal Poverty Guidelines and benefits not just low-income drivers, many middle-class households may qualify.

mylowcostauto.com

PRICE GOUGING

Price gouging is the act of a business raising prices of needed products and services over 10% during a declared emergency.

Price gouging is prohibited and is governed by California Penal Code 396 and the Los Angeles County Price Gouging Ordinance. For 30 days following the declaration of emergency, it is illegal for a person, contractor, or business to sell or offer to sell any food items or goods or service for a price of more than 10 percent above the price charged by that person or business immediately before the declaration of emergency was issued.

Typically, this statute applies for 30 days after an emergency declaration. However, the statute applies for 180 days for reconstruction services and emergency cleanup services. State and local municipalities may extend the effective period of the statute beyond these timeframes.

If you believe that you have been a victim of price gouging or you suspect a business is price gouging, contact the Los Angeles County Department of Consumer and Business Affairs at:

(800) 593-8222
